Homework Survey Update

Thank you, for your very positive and constructive response to our Homework Survey. Over all we had 188 children and 125 parents voicing their opinions on the subject. The numerical results of the parent survey can be found as a PDF file on the School Web Site <http://cge.e2bn.net/e2bn/leas/c99/schools/cge/> A summary of the overall findings will be available when the 'whole' review has been completed at the end of this term.

Next steps

Over the next few weeks and in order to complete the whole picture, several remaining tasks will be put into action. Firstly, teachers will be given the opportunity to voice their opinions about homework at Warboys. A staff meeting has been set aside to allow time for staff to share, analyse and reflect on the comments on responses from parents and pupils. Examples of homework, sent out from each class, will be collected and monitored over a period of time. Finally, a working party will be formed hopefully consisting of representatives from parents, pupils, teachers and governors. Then during the next half term, three or four short meetings will be arranged for the working party to: review the existing policy; analyse all the evidence collected; suggest or recommend any necessary changes to our homework practice in the light of findings from the survey; draft / update the Homework Policy.

Previously, several parents expressed an interest to join a homework working party. If you are still interested and can spare a little of your time would you please complete the attached and return it to the school office.

Thank you again for your support with this issue.
