Dear Parents/Carers

A warm welcome back to the new school year and a special welcome to all our new parents joining the school community for the first time. Our school roll has risen to 298 with 43 new children joining us in Reception over the coming weeks.

With this letter you will find our latest school prospectus (new reception parents have already received a similar copy) which will update you on all matters related to our school and some of the changes that have been made. Many of these have already been communicated to you via the newsletters over the past year.

Our uniform order arrived on time and many parent orders have now been collected. If you have yet to do so, please collect your order from the office. We are currently holding most sizes in stock and have reordered sizes that have sold out or are running low. Please read the care label carefully in order to get the best wear out of the sweatshirts. Book bags, PE/swim bags and document cases are also available.

A reminder to please **LABEL ALL CLOTHING** and bags, so we can return any lost property when found.

Any old uniform you no longer require can be dropped into school, which will be recycled via the Bags2School scheme coming up in October.

There is an opportunity for you to find out about what is happening in your child's class this year and to meet teaching staff through our Meet and Greet evening. We are starting and developing our new curriculum this year with a more cross curricular and creative emphasis and you can find out more details on Tuesday 16th September, details overleaf. There will also be a short information session on How is My Child Doing? to help parents have a better understanding of assessment, levels and expectations. This is similar to the meeting held last year. The Meet and Greet for Reception is later this term once pupils have started full time.

Finally, the PTA are holding their Annual General Meeting, also on Tuesday 16th September, 8pm following the Meet and Greet evenings. Please try to attend and lend your support. The PTA raise thousands of pounds each year, which is turned into resources and equipment for our children.

Kind regards

Mr M Kelsey
