

Do computers scare you?

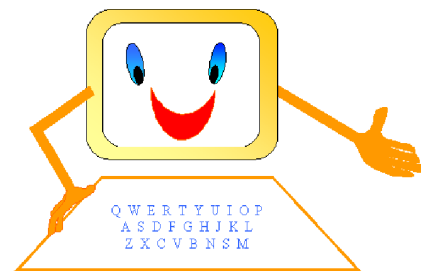

Help is at hand!

5 week course available to teach you how to be friends with your computer!

Open to any parent who has NO (or very basic) computer skills (or is only confident using e-mail).

Ask at the School Office for details.

Make friends
with computers!

The course will take place in school (Tuesdays 3.15pm) and you will be working with your child/ren (no more than 2 children per adult). Each session 1 hour long at a time to be arranged that is convenient for most of those wishing to take part.
